

# Strapping & Taping

16st – 25th May 2017

Tuesday, Wednesday, Thursday

1.00 – 4.00pm / 6 Lessons

This course covers all aspects of product knowledge, the use and purpose of sports strapping, plus taping technology and skill with hands on practice for the major joints needing support in sporting activities.

After completing this course students will be able to successfully tape and strap body parts using taping products.

This course is delivered by fully qualified Remedial Therapists. Students must have a Certificate IV in Massage Therapy Practice to participate. The program consists of a mixture of theory and practical activities. On successful completion of this course students will receive a Certificate of Attendance.

*\* With this course you can earn **10 CPE Points***
